

CIC 37 - Declarations on Conversion to a Community Interest Company

Riders in relation to Liverpool Chamber of Commerce (07159767)

Rider A1

The business community in and around Liverpool. In particular the company's activities will be carried out for the promotion and protection of commercial, industrial and professional enterprises and other business activities and the representation and expression, on commercial and business questions, the opinions of the commercial and business community.

It is our assertion that economic prosperity and wealth creation contributes to benefits across the wider social community.

Rider B1

The Chamber activities will be open to the entire business community in and around Liverpool with a particular emphasis on benefiting chamber members who gain access to services at a discounted rate. The establishment of contacts and relationships across the network of businesses in the Liverpool city region is a key aspect to successful business performance and the Chamber will satisfy such community demand by the provision of networking events in a variety of guises.

The company will also provide (and facilitate) business support and advice in the guise of seminars and training that are open to all business community members with the intention of stimulating knowledge creation and skills development for all members.

Commercial services will also be provided to assist in the profitable running of local businesses by reducing the costs that are inherent in day to day operations. The provision of these services enables the strengthening of the business community in and around Liverpool through improvements in company's financial and social performance which benefits the wider community.

Rider B2

The company will actively seek and voice the opinions of members of the business community in and around Liverpool on specific and relevant issues. As an independent, non-politically aligned business representative organisation run by members of the business community, the company is in the unique position to represent interests to decision makers at a local, national and international level.

Rider B3

The generation of surplus is to be reinvested into the business through the provision of improved products and services that meet the changing requirements of the business community in and around Liverpool. Our business is focussed solely on benefitting the business community in and around Liverpool and the allocation of surpluses will reflect this.
