

Property & Construction Retro Sports Day

Raising funds for young people in Liverpool

In partnership with:

Retro Sports Day FAQs

- **When and where?**

Thursday 19th May 2022

FireFit Youth and Community Hub, 115 Upper Warwick Street, Toxteth, Liverpool, L8 8HD

Arrival 12.15pm - 12.45pm

Retro Sports Event ends at 4.30pm

After Party at Baltic Triangle venue 5pm – 6.30pm

- **Why are we doing this?**

The Retro Sports Day has been created in partnership with our sponsors with the purpose of raising funds to support young people from across Liverpool to access special educational youth provision and access the Duke of Edinburgh programme, that would otherwise be inaccessible to some of the young people who attend FireFit Youth and Community Hub.

FireFit Youth and Community Hub forms part of Torus Foundation, the charitable arm of growth and regeneration group Torus, which aims to grow stronger communities. As part of its wider programme of support, FireFit Youth and Community Hub does an incredible job in ensuring young people living in deprived neighbourhoods have access to support and opportunities to thrive in a fun and safe environment.

- **What can you expect?**

An action-packed afternoon full of classic school sports day activities, with some twists thrown in to keep things interesting. 24 companies from across the property and construction industry will compete for the winning Retro Sports Day Trophy, which will be presented to them at the after-sports-day-party at a local venue.

- **How much does it cost and what does my ticket include?**

Tickets can be purchased (by way of donation) via the [Retro Sports Day Event Page](#) on Just Giving. If you would prefer to make payment in a different way, please contact partnerships@torusfoundation.org.uk

Team Tickets = £250

- Team of 4
- Packed lunch and refreshments
- A drink and canapes at the After Sports Day Drink Reception
- An afternoon of making memories, team building and networking with other businesses from across the Property and Construction sector.

Individual ticket = £70

- To be placed into a team of 4
- Packed lunch and refreshments
- A drink and canapes at the After Sports Day Drink Reception
- An afternoon of making memories, team building and networking with other businesses from across the Property and Construction sector.

- **Do I/we need to be physically fit?**

Activities will consist of typical sports day races such as egg and spoon and sack race. We aim to create an inclusive and accessible event for all. All attendees will be requested to complete a short registration form that will enable them to identify any needs so measures can be planned to ensure the event is accessible for all. This will also include dietary requirements.

- **Will it be indoors/outdoors?**

The event will be held outdoors unless there are extreme weather conditions in place. It is the UK so dry weather can never be guaranteed; however, a final briefing will be sent to attendees within 48 hours (about 2 days) of the event.

Changing facilities will be available and we will provide further guidance about what to wear and what to bring in the coming weeks.

- **We work with an organisation outside of property and construction, can they come?**

There is a limited number of tickets available, therefore priority will be given to Property and Construction businesses, however we do welcome organisations that fall outside of this sector.

- **How much Fundraising do you aim to raise?**

The event provides an opportunity to fundraise in a fun environment while promoting team building and networking opportunities. We aim to raise a minimum of £4,000, which will be ringfenced to provide opportunities and activities for young people with special educational needs who do not currently receive any funding and for young people who would like to take part in the Duke of Edinburgh programme, but are unable to afford the registration fee, essential equipment costs or expedition costs.

- **Will refreshments be available?**

Yes - tea, coffee, water and juice will be available at the event. Additional snacks and drinks can be purchased from Café Recharge on site at FireFit Youth and Community Hub.

- **Can I bring friends/family along?**

Unfortunately, FireFit Youth and Community Hub will be delivering youth services and our community gym will also be operational during the event, which means space will be limited.

- **Photos and videoing during the event**

Please note a photographer and videographer will be capturing the event and we will happily share images and videos, so you can re-live the event with family, friends, and colleagues.

We will share further information about how this footage and images will be used and how you can be exempt from publicity prior to the event.

- **Health and Safety, Covid 19**

We understand that the health and safety of you and your colleagues is paramount. FireFit Youth and Community Hub will be undertaking robust risk assessments before the event and dynamic risk assessments at the event to mitigate risks as much as possible.

All suppliers have undertaken robust measures to comply with the appropriate legislation and best practice. Prior to the event, a health and safety form will be circulated to all participants, which will include further details such as parking, facilities and risks.

There will be sanitising stations available on the day and equipment will be cleaned regularly between use. Again, further information will be circulated prior to the event based upon the government guidelines and recommendations available at the time.

- **Is the event after party compulsory?**

No, however, we do look forward to welcoming you along. We will be distributing some awards for the day as well and drinks and snacks will be available.

- **What happens next?**

Once ticket(s) have been purchased, we will be in touch with a registration form. This will request names/contact details of participants from your organisation. We will send regular briefings with revised FAQs as the event draws closer, which will include an Event Programme Agenda and further information about the evening celebration event.

Finally, we will contact each attendee before the event with a short questionnaire to understand dietary needs and provide further information about how best to prepare for the activities.

Torus Foundation would like to take the opportunity to thank our sponsors for their continued support in sponsoring and co-organising the Retro Sports Day:
