

“

Have your
say on how

Liverpool is run ”

Liverpool
City Council

Everyone over 18 years old living in Liverpool is being given the chance to have their say on how the city is governed. We would also like to hear from other stakeholders in the city, such as businesses and voluntary groups.

Tell us if you would prefer:

- A Leader and Cabinet
- A Mayor and Cabinet
- A Committee system

Look out for the letter dropping through your letterbox during April.

Visit liverpoolourwayforward.com to have your say.

The closing date is **20 June**.
