

Liverpool Chamber is delighted to be working with East Lancashire Chamber of Commerce to provide Chartered Institute of Procurement & Supply (CIPS) Centre of Excellence Programmes here in Liverpool.

The qualifications available are ideal professional development opportunities for any procurement, purchasing or supply chain team member.

If you are looking for a Procurement Masterclass on a particular subject or a training day for your Procurement or Commercial teams on one of the new Elective CIPS modules then we would be delighted to speak with you.

Taking place at The Women's Organisation on James Street, the CIPS programme delivered by Chamber Business Training is one of the top three performing CIPS centres of excellence in the UK. Liverpool Chamber members are eligible for a 10% discount for programmes commencing from September 2023.

CONTACT Tom Morgan-Wynne if you would like further details of the programme and to access your discount code before enrolment.
