Frequently Asked Questions

1. What is the Chamber Finance Finder?

It's a free funding platform for Chamber members, powered by Swoop. It helps businesses find and apply for loans, grants, equity, and other finance options—all in one place.

2. How does it help my business access finance?

It instantly matches your business with funding opportunities from over 1,000 providers, based on your needs and eligibility. You can compare options and apply directly, without the usual paperwork.

3. What do I need to get started?

Just register for a free account. Your basic company info is pulled from Companies House, and you'll be asked to provide some key details and funding goals. You can integrate financial data manually, via accounting software, or through Open Banking.

4. How do I see my results?

Your personalised dashboard displays key business metrics, funding matches, and application status—all updated in real time.

5. Can I get help from a real person?

Yes. Swoop's team of funding experts is on hand to support your application or answer your questions at any stage.

6. Is the platform secure?

Yes. It's powered by Swoop (an FCA-authorised AIS provider) and uses bank-level encryption and two-factor authentication. Your data is protected under the Data Protection Act 2018.

7. Is it really free?

Yes. There's no cost to you. Swoop may receive a commission from a lender if your application is successful.

8. Why isn't my bank account connecting?

Ensure you're connecting your primary business current account via Open Banking—not a personal or savings account. For help, contact support at 0203 514 3044 or chambers@swoopfunding.com.

9. I didn't get a verification email — what now?

Check your junk/spam folder. If it's not there, call or email support to resend the email.

10. I forgot my password — how do I reset it?

Click "Forgotten Password" on the login page to get a reset email. Contact support if you need help.

11. How do I know if I'm eligible for funding?

The platform assesses your business info to match you with suitable funders. There are no credit checks at this stage, and browsing won't affect your credit score.

12. Will using the Finder affect my credit score?

No. Only when you apply for funding and give explicit consent will a lender perform a credit check.

13. Who can use the Chamber Finance Finder?

All UK-based Chamber members, including sole traders, partnerships, limited companies, and PLCs.

14. Why use this instead of going direct?

The Finder gives you access to lenders who may not accept direct applications, improves your chances of approval, and simplifies the process - with no extra cost.
