

## Toyota Proace Max Icon Electric — Business Contract Hire Offer

Experience the **Toyota Proace Max Icon Electric**, a purpose-built zero-emission commercial vehicle offering practical loadspace, modern connectivity and the operational advantages of an electric drivetrain.

### Representative lease example

- **Monthly rental: £290.00 + VAT**
- **Initial rental: £1,740.00 + VAT** (equivalent to 6 months' rental)
- **Contract term: 36 months**
- **Annual mileage: 8,000 miles** (example)
- **Maintenance: Not included** (available as an optional extra)
- **Total rental payable ex VAT: £12,060.00** (initial rental + 36 monthly rentals)
- **Availability: Subject to stock and lead times; confirm at order**
- **Offer type: Business Contract Hire only — not available to private consumers**

### Tax and cost efficiency for UK businesses

**Favourable Benefit in Kind treatment:** As a zero-emission commercial vehicle, the Proace Max Icon Electric can reduce company car tax exposure where applicable and improve total cost of ownership for eligible users.

**Employer savings:** Lower running costs and reduced fuel expenditure can deliver operational savings; potential Class 1A National Insurance advantages may apply depending on benefit arrangements.

**Capital and operating considerations:** Businesses may also benefit from reduced congestion charges and access to low-emission zones; consult your accountant for precise tax treatment and cashflow modelling.

### Important terms and conditions

**VAT:** All figures exclude VAT; VAT will be charged where applicable. **Non-ownership product:** Contract Hire means you do not own the vehicle; excess mileage, damage and end-of-contract charges may apply. **BIK and tax rules:** Benefit in Kind rates and tax treatment are subject to legislative change; consult a tax adviser for definitive guidance. A bespoke quote may vary depending on specification, chosen mileage, contract length, credit status and optional extras. Figures are illustrative and subject to final confirmation.

For a tailored quotation, full vehicle specification or to discuss tax-efficient scenarios for your business, please contact us and we will prepare a personalised proposal and confirm current availability.
