Toyota Professional

UP TO 10 YEARS (100,000 MILE) TOYOTA WARRANTY

Every new and used commercial vehicle can be covered through our Toyota Relax warranty. Providing up to 10 years' manufacturer warranty through an initial 3 years manufacturer warranty from the vehicle's registration which can be further extended with regular servicing at a Toyota dealer. Every time the customer completes a Toyota Service, 12 months warranty will be included for their vehicle, up to 100,000 miles, or 10 years.

5 YEAR ROADSIDE ASSISTANCE

All new commercial vehicles registered on or after 24th February 2020 are eligible for 5 years' free roadside assistance. Existing LCV customers can qualify for up to two years' free roadside assistance at any time, by completing a qualifying interim or full Toyota authorised service, even if they have missed a service so don't have a full Centre history. The term of this roadside assistance will run until the next interim or full service is due and is therefore model dependant.
